Re: Meeting with the MN Beef Council

BACKGROUND

Staff recently met with representatives from the MN Beef Council. The Council is considering purchasing 5469 Highway 12. While the Beef Council loves the location and the City of Maple Plain, they are concerned about the current sewer issues with the property.

At the April 27, 2015, City Council meeting staff presented two options to the current owner, Bill Woods.

Representatives from the MN Beef Council would like to meet with the City Council to discuss any possible solutions to this problem.
